

ICB FINANCIAL ACCOUNTING FOUNDATION LEVEL

BUSINESS LITERACY (BUSL)

This subject develops students' proficiency in effective business communication, both spoken and written, alongside foundational numeracy skills essential for the workplace. Students will master fractions, percentages, ratios, equations, and interest rates while learning to measure, analyse, and communicate workplace data. Topics include work readiness, business communication, and business numeracy, enabling students to apply these skills in professional settings confidently.

Format: Online, Distance or Classroom

Cost: ICB Fees + Study Materials + Tuition Fees

Duration: 48 hours/12 weeks

Career Fields (on full completion of the programme):

Junior Bookkeeper, Accounts Administrator, Debtors Administrator, Creditors Administrator, Payroll Administrator, SARS Returns Clerk
